Re: The Red Interpreter

Dear Mr. Pforzheimer:

Enclosed is a license agreement in favor of the United States Government. Also enclosed is a photostat of the copyright which was issued in the name of [redacted] STATINTL. I am registered as the authorized agent. STATINTL

I assume that you are aware that the United States Information Agency has shown interest in publishing and distributing the volumes and is about to receive 50 sets for evaluation.

Due to the unique nature of the subject matter, it is reasonable to assume that a more intimate inquiry will be made into the identity of the author. Under normal circumstances I will hold the identity confidential. If in all circumstances it appears necessary to cover the true identity of the author, I would then appreciate your guidance and advice.

Yours truly,

S. C. Borzilleri
